A Message from...

It is with a great deal of pleasure that I commend and congratulate the Class of 2013. As the Interim Superintendent of Schools who began in Norton in August, 2012, it quickly became very clear to me what a special senior class we have at Norton High School. I have been able to observe the quality of this class through a variety of events in the arts, athletics, and the National Honor Society. Accomplishments in all of these areas have been significant. The poise and outstanding demeanor showed by the Class of 2013 is very impressive. My best wishes to you in your future endeavors. I know that you will continue to make us very proud.

Christopher H. Martes
Ph.D.Interim Superintendent of Schools

Dr. Martes

Mrs. Lafayette & Mr. Zini

To the Class of 2013,
As you prepare to leave the halls of Norton High School – both the old and the new – it is my sincere hope that you are excited and prepared for the next stage of your life. You have worked hard over the last four years as you have developed into young men and women with the skills, knowledge, and maturity needed to succeed in college, the military, or the workforce. You have excelled in the classroom; worked hard practicing for sports, music, and drama; and made life-long friends in various clubs and activities. I hope, however, that you have also learned the importance of being honest, having integrity, and becoming a person of good character. Ralph Waldo Emerson wrote, "Character is higher than intellect. A great soul will be strong to live as well as think." What is remarkable about character is that it is entirely up to you. Through your actions and choices, you will develop your character – and be known by it. My hope for you is that you choose to live a good life, one filled with positive choices and a strong personal character. Congratulations, and I wish you all the best.

Sincerely,
Geoffrey Zini
Assistant Principal

To the Class of 2013,
Just four years ago, you entered Norton High School as freshmen, unsure of what your future would bring. Now, you are graduates, you have plans for the future and you are ready. I hope that you have made the most of your time here with us. You have spent time learning in the classroom and outside of the classroom. Over the past four years, you have studied for countless tests, and quizzes; you have completed innumerable papers and homework assignments. However, that was not necessarily the most important part of high school. I am sure you have not loved every moment – but each experience has helped you to grow. Throughout all of those experiences, I hope that you learned about effort and perseverance. I hope that today, you realize that life is about doing your best and working through even the most difficult of situations. Because, that is, truthfully, the most important lesson you can learn. I wish each of you the very best as you make your way beyond the hallways of Norton High School and into the world.

Sincerely,
Megan Lafayette
Principal

Of course I have to thank my big sister Keiko, my big brother Michael, my little brother Joshua and my amazing parents that would do anything for their children, and my wonderful, precious boyfriend Brendan. Senior Cruise

Senior Cruise
Senior Cruise

This year, the Class of 2013 saddled up and had a blast at the annual Senior Cruise. The seniors found their best flannel shirts and cowboy hats and danced the night away aboard a cruise on the Boston Harbor. Although this was the first year that the cruise has ever had to be rescheduled, that did not get in the way of everyone having a great time. The night was beautiful and everyone marveled at the Boston skyline and low flying planes as the DJ played all of the best songs. This year's Senior Cruise was certainly a night to remember!

ATHLETICS

Every Friday night home game, the entire town of Norton crowded around the field to watch Norton High's most popular sport. Under the direction of Coach Currle, the Lancers were able to improve upon last year's season. Senior captains Joe Colley, Josh Jenkins, Steve Hudson, Matt Butler, and James Keating pumped up their team before every game for the heavy-hitting battles that they would soon have to endure. On offense, the key competitors were the five up front: Nick Petersen, Tony Giglio, Evan Moitoza, Steve Hudson, and Jack Keane. When these five blocked well, the offense was able to flourish and produce the most scoring drives. The defensive line also had many standout performances. When the line of scrimmage was controlled, it became easier for the Lancers to stop their opposition. Overall, the Norton Lancers showed teamwork on the field and excelled during this year's amazing season.

The 2012 Girls Soccer Team had a very strong lineup which challenged their opponents in every game. In Coach Ann Foley's first season, the team worked extremely hard to improve all aspects of their game. Senior captains Becca Wasylow and Marisa Dole led the charge for the Lancers with the help of all of the other seniors: Ashley Boulos, Rachel Meyer, Nicole Anderson, and Amanda Ward. Overall, the team strived for perfection on the field and showed that hard work and teamwork really pay off. The team as a whole was characterized by their shooting, passing, dribbling, and defending abilities. In net, Jen Kilburn pulled off big saves to keep the Lancers in the game. One of the biggest games came towards the end of the season, where the Lancers shut down Westwood to prevent them from advancing into the MIAA tournament.

The boys varsity soccer team had a very successful season. Led by Coach Greene and senior captain Matt Sugar, the team was able to qualify for the state tournament. Despite little varsity experience, the Lancers were able to compete with and win against the prolific TVL teams, which had some of the best teams in the state. Freshman phenom Jon Lach led the way for the Lancers and was able to score fourteen goals. Brett Hanlon, Paul LaCouture, and Chris Robey, Norton's senior midfielders, were able to effectively distribute the ball to the band of forwards. Meanwhile Matt Sugar, Anthony Kennedy, Paul Murphy, and Dan Lenihan instituted a lock-down defensive line, and, along with goalie Joe Maia, were able to record an impressive goals-against average. In the State tournament, the Lancers destroyed the Sharon Eagles 5-0, where Lach was able to score a hat trick. Lach and Sugar were named TVL All-Stars, Sun Chronicle All-Stars, and Taunton Gazette All-Stars. In addition, Kennedy also achieved Taunton Gazette All-Star status.

The 2012 season was a very exciting season for Lancer Volleyball. In her fourth season at the helm of the program, Coach Newell improved upon last season's sub - 500 record to an impressive 11-8 season. This drastic improvement clinched a spot in the MIAA tournament for the first time in many years! Senior Captains Bri Arcaro, Maggie Morris, and Steph Belcher were integral in the Lancers success, along with Jackie Dunne, Abby Anderson, and Sam Olson. The Lancers bombarded their opponents with spikes and aces, while still maintaining a tight defense. The Lancers played Worcester North in their tournament game, and the tournament atmosphere is something that the girls will never forget. This successful season will no doubt lead to future success for the sport of volleyball here at Norton High.

Both the Boys and Girls Cross Country teams had and amazing fall season this year. Captains Cam Eisnor, Nick Skotny, and Mason Rouillard led the boys to a 7-3 victory, making it their best season since joining the TVL league. Captains Brittany Alioto, Allison Alioto, and Katie D'Onofrio kept spirits high within their 8 person team, while they faced teams from other towns, many of which had upwards of 30 girls. Despite this vast difference, they persevered and were victorious in two meets during the season. Max Marcotte, Mike Tierney, and top runner Billy Sullivan were named TVL All-Stars, while Corina Jurzyk was named top runner of the girls team. Billy Sullivan and Corina Jurzyk were also named MVPs of this year, while Katie D'Onofrio and Cam Eisnor were each winners of the JFK Award. Overall, this cross country season showed the sportsmanship and hard work that goes into distance running, and will be a tough one to beat!

The 2012 Norton High golfers were strokes ahead of their competitors. Under the leadership of Coach Ryan Riley and senior captain Evan Ryan, the Lancers put on a show at every match that they competed in. The team's "home turf" was at the luxurious TPC golf course. The team had a core of young golfers that really set the tone for the season, including Nick Mattos, Cody Sweeney, Andrew Veglas, Johnmichael Lee & Adam Winiarz. The team's biggest match came against Ashland midway through the season. Although the two teams were evenly matched, the Lancers pulled away with the victory in a very close thriller. The young team will continue to improve and win for many years to come.

They were constantly encouraging the football team to play their hardest and pumping up the crowd between plays. Seniors on the squad included Brittany Kenyon, Hannah Labonte, Colleen Twitchell, Taylor Portanova, Danielle Carberry, Julie Towne, and Holly McClain. The entire squad spent countless hours of tireless training each day, trying to make their routines flawless. With the cheerleaders at every football game, the Norton community could really see the spirited NHS students.

The Boys Winter Track Team had one of their most successful seasons to date. The boys were led by Coach Taylor and senior captains Cam Eisnor, Dan Lenihan, Mason Rouillard, and Nick Skotny. They obtained a record of 6-2, which ties for the best record ever in the Tri-Valley League. The team placed second at TVLs and fourth at the State Relays. Furthermore, twenty-four athletes qualified for states and four school records were broken. The 4X400 Relay team of Dan Lenihan, Max Marcotte, Brandon Durocher, and Mike Tierney won their event at TVLs, allowing them to be named TVL Champions. Kevin O'Leary scored the most points for the Lancers over the course of the season and was a top contender in all of his events. The Lancers capped off the basketball season with an impressive 15-5 record. Coach Lib and senior captains Paul Murphy, Zach Ruby and Dan Rafuse were able to emulate last season's efforts to win the league for the second straight year. Throughout the season, the three star captains, along with teammates Chris Hupf and James Loring, the team's leading scorer, were able to dominate on both sides of the court. The Lancers qualified as the 5th seed in the MIAA tournament. Their first match was against 21st seed Canton, when their 55-39 triumph was for Coach Lib's first tourney victory. In their next match up, they traveled to 4th seed Rockland for a thriller of a game. They unfortunately came up short, but their passion was evident in that game and throughout the entire season. The Lancers played with zeal and finesse, all while being followed by their group of loyal spectators "The Crazies."

During Coach Langmead's first season as head coach of the Lady Lancers, the team had a fresh start to improve upon. He was able to motivate all of his players to improve their skills. Senior captains Becca Wasylow and Ashley Boulos led the team and helped them learn and adjust to new offensive plays and defensive schemes. All of the seniors played important roles on the team. In addition to the captains, Bri Arcaro, Rachel Meyer, Allison Alioto, and Kelsey Charlton all took their talents to the next level in order to win. The Lady Lancers played their hearts out against all of their competitors, but their biggest games were against Westwood and the powerhouse Martha's Vineyard. The team improved greatly and played at a high level throughout the entire season.

The Wrestling team over the past few has been quite possibly the most successful team in Norton's history. The Lancers under Coach Coleman continued their decade of dominance this season. They were named Sectional Champions for the second year in a row and were the runners up at the State competition. The captains of the team included Steve Hudson, Jack Cuneo, Mike Travers, and Myles McAlpine. At Sectionals, Hudson and Jonathon Taylor became champions in their respective weight classes. At the end of the season, the four captains along with Taylor and Tim Casagni were all named TVL All Stars, and Coach Coleman was named Coach of the Year. Travers recorded the most wins for the team, while two wrestlers earned a spot in the prestigious "Century Club." In order to become a part of this select group, wrestlers have to reach one hundred wins over their high school career. Hudson and Cuneo achieved this status, and Hudson also broke one hundred in pins.

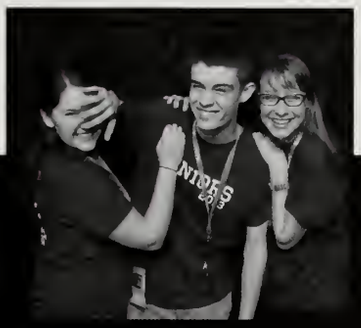
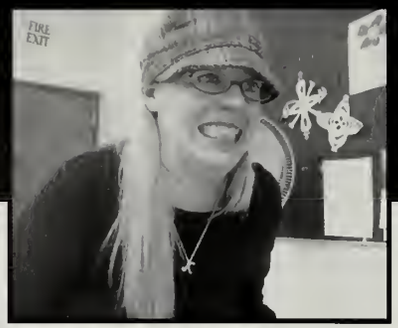
On the boy's side, Elliot Ariola qualified for Sectionals in Diving in his rookie year. In addition, Paul Karcis was able to qualify for the 100 Backstroke during his first year on the team. NHS Student Council, or StuCo, had a very successful year and all of their efforts definitely paid off. Members were very active both in the school and in the community with planning, supervising, and running many activities and events. For this first time in a very long time, the Thanksgiving Pep Rally ran by Student Council was a profound success. Everyone had a great time and enjoyed all of the events that took place. In addition to this, other events run by StuCo included Freshman Orientation, Spirit Week, Back to School Assembly, the Santa Fund competition, Pennies for Patients, NHS Talent Show, and the Hypnotist Show, which were all a great success. In addition, Student Council sent delegates to various state-wide and regional events, such as MASC Officershop, MASC Spring Conference, SEMASC Fall Conference, and SEMASC Spring Conference. At the premier conference, the MASC Spring Conference, NHS Student Council was named a "Council of Excellence," which is one of the highest awards in the state.





Every fall, the Yearbook Committee begins the daunting task of collecting photos, designing pages, and producing a memorable product for every student in Norton High School; this year was no exception! We decided that this year, the yearbook should reflect the construction and renovation project that characterized every NHS student's daily life. Whether one hall was closing or another was opening, there was always something exciting going on in the building, and we wanted to memorialize it. We had our own fair share of excitement, as we spent several – fun! – late nights working together to make our final deadline. Our adviser, Ms. Immonen, (as well as our honorary adviser, Ms. Medeiros) and senior editors Bri Hayes, Christine Lattouf and Matt Litchfield, in addition to such dedicated members as Jenny Golden, Anthony Kennedy, Jordan Ledwith, and our awesome underclassmen Lauren, Kait and Julie, all led the yearbook to success. As the years fade, we hope this yearbook helps you remember the 2012/2013 school year as fondly as we do. Enjoy!

This year, the Norton High School DECA chapter further thrived in its journey to aspire higher, and go for the gold. We reached record-high enrollment of 68 members, and raised a record amount of several thousand dollars through fundraising activities. During the season, 65 rookie and veteran members competed at the District I Career Development Conference, of which 25 advanced to the next level of competition at the State Career Development Conference. Thanks to their preparation and hard work, four students earned a spot at the 2013 International Career Development Conference in Anaheim, California. Dan Rafuse, Nick Petersen, and Jill Allard each placed, among hundreds of contenders, to compete in their respective events at the ICDC conference, while Bryce McCarthy was nominated for a seat at the ICDC Leadership Academy. Norton DECA is extremely proud of all of their members for another year of valuable experience, personal and chapter accomplishments, and overall, a lot of laughs and memories.

The Norton High School Concert and Pep Bands are elective programs that students take to develop and grow into talented musicians. The Concert Band performs in the annual Winter and Spring concerts, and the Pep Band plays at all of the football games and town parades. A huge thanks to Mrs. Couture and Ms. Roberts, without whom neither the Band nor Pep Band would have been such a positive experience. Thank you to the seniors, who will be leaving; their leadership and influence will have a lasting impression on everyone. Finally, thank you to the band parents, who have helped us out at numerous events throughout the year.

The Norton High School Chorus and Select Choir are two vocal groups that strive to bring students together through music and singing. With songs like "Annie Laurie" and "Song for the Mira," Chorus explored different styles of music from different parts of the world. Select Choir did the same, with songs like "My Heart is Offered Still to You" and "J'entends le Moulin," one being a classical audition piece for this years' District Chorus Festival, and the other being a French folk song. Neither of these groups could have existed without Mrs. Couture's hard work throughout the year, and we thank her so much for everything that she has done.

This year's Drama Club has reached new heights by successfully performing the wonderful musical "Annie." The show was the second directed by our very own English teacher, Mrs. Koellner. Annie really came to life with the help of Mrs. Couture as musical director and Ms. Malone as choreographer. It featured a diverse cast which represented all grades, and was acclaimed by not only the students of NHS, but also the Norton community. The supporting roles were as perfectly cast as well as those of the leads Annie (Rachel Ferreira) and Daddy Warbucks (Bryce McCarthy), who created a special bond between the cast and the audience. While always filled with the cheer and enthusiasm of the theater, this year's Drama Club has no doubt become one of the best in NHS history.

Students Against Destructive Decisions is a group that is dedicated to education of others to make better choices. S.A.D.D. meets every other Wednesday to plan activities to raise this awareness. Their main focus is abstinence from drugs and alcohol, but S.A.D.D. also discusses other potentially harmful teen habits. S.A.D.D. is responsible for the twice-annual American Red Cross Blood Drive, the mock crash before Prom, and this year, for the first time, Distractology 101, as well as several other educational and fun events. S.A.D.D. is a fun and rewarding organization. Leadership is a group of students who truly want to make a difference in not only our school, but also our community and the world. Working closely with Mr. Zini and each other to develop leadership skills through team building activities, Leadership Council aims to make learning and leading not only possible, but fun for everyone.

The Norton High School Gay-Straight Alliance is a club that focuses on creating a safe space for LGBT students and their allies. We talk about issues involving the LGBT community and participate in events such as the Day of Silence. We would like to thank Ms. Siegal for helping us throughout the year, because our club could not have existed without her. Debate Team is an extracurricular organization that celebrates the art of debate and its role in government. During the 2012-2013 school year, under the advisement of Mr. Paul Duff, with the leadership of Co-Presidents Bryce McCarthy and Taylor Marcon, Co-Vice Presidents Tori Gesualdo and Justin Baird, and Secretary Liam Kenney, the team debated an expanse of controversial, current world issues. The team met with real-world government figures and entities, such as the United Nations Association of Greater Boston, the Massachusetts State House, and had a one-on-one session with Representative Jay Barrows. Annually, the Debate Team sits at the Hockomock League Model Senate, where this year, each member carried an impressive performance as spearheads of their own mock legislation. The team looks back on their groundbreaking 2012-2013 season with many fond memories and valuable experiences under their belt.

The Anime Club is a group of students who have a mutual interest in multi-cultural animation. It also dedicates its time to drawing Japanese style comics while bringing together the cultural aspects that are learned through the shows, books (known as manga), and language. The club helps it's members prepare for and attend a giant convention of fellow fans known as Anime Boston. The Anime Club also likes to have occasional game days complete with Dance Dance Revolution tournaments, a variety of personality based discussions and cultural food. The club adviser is none other then Mrs. Lewiki, who helps organize, control and contribute to the overall club experience. The Sci-Fi/Fantasy Club, known as Nerd Club to its members, started out with just 3 members watching movies and geeking out. Now it has become so much more. Although we didn't know each other at first, we are all now friends and that really means something to all of us. In the club, we watch movies and TV shows such as Star Trek, Doctor Who, The Twilight Zone, and many more. We also play card games such as Magic: The Gathering, Munchkin, and even Pokémon. Tabletop Role Playing Games (RPGs) like Dungeons and Dragons are played as well. Gabbi Kenyon is the President, Elliott Platt is the Vice President, and Matthew Jacobs is our Regent, President for next year. We would like to thank Mr. Jewell for helping us start up the club and being its adviser for three years and Ms. Wissler for becoming our new adviser this year and keeping us going strong. We couldn't have done it without you guys!!! New members are always welcome and the club is free!

National Honor Society

As the largest honor society at Norton High School, the Jean G. Findlater chapter of the National Honor Society is composed of scholars with a wide range of interests, each lending something different and exceptional to the group. This year National spread cheer to those overseas by writing holiday cards to our troops. By hosting our annual "Senior-Senior" prom for the elderly residents of Norton - in our brand new cafeteria - we brightened the days of many, old and young alike. Our Bike-a-Thon in the spring brought smiles to many faces as we raised pledge money and then rode around town together. The society along with our adviser, Mrs. Young, have worked hard all year long to promote happiness and scholarship at NHS!

English Honor Society

The National English Honor Society is pleased to be in its fourth year of promoting a love of writing and literature at Norton High School! Our accomplished group of book nerds have demonstrated exemplary skills in English Language Arts and were each required to submit an artful essay for review, as well as proof of a 3.0 GPA before induction. Our monthly meetings allow Norton High School Students to reach out to the community and run events such as the annual book drive and tutoring services for peers. This year we hosted Norton High School's First Annual Arts Night, an evening of collaboration among artists of all trades: visual arts, musical performance and poetry. A huge thank you to our adviser Ms. Malone for all her time and support!

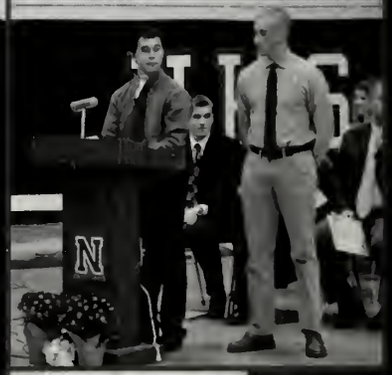
Mu Alpha Theta



Mu Alpha Theta is Norton's honor society devoted to mathematics. Throughout the entire school year, they organized various events to promote and stimulate excitement in mathematics. They hold an annual Pi Day event on March 14th, where students search the school for math problems in the hopes of earning a free slice of pie! They also organize the Amazing Mathematics Race, where students compete to finish a series of math problems to obtain a prize. In addition, members tutor students at the Middle School. The society is led by adviser, Mrs. Taylor, and does a great job of showing NHS that math is fun! In order to be eligible for Mu Alpha Theta, students must be a junior or senior, have completed at least two years of level one math classes, have an overall 4.0 GPA, and have a 4.6 math GPA (on a 5.0 scale).

Science Honor Society

The Science Honor Society is in its fourth year, and has been growing since its start. In order to become a member students must maintain a 3.0 overall GPA, as well as a B+ grade in any science courses they are enrolled in. They must also be a junior or senior enrolled in a full year Honors or AP level science course. This year, the society continued to help tutor at the JCS Science Fair, and expanded to help students at the L.G. Nourse as well! The Society also tutors at the high school and holds study sessions for sophomores who are preparing to take the biology MCAS. At each meeting, members learn about a new and interesting field of science, and this year, were lucky enough to have special guests come and talk about their science career fields! Every member does a wonderful job of going out into the community and increasing scientific understanding!

History Honor Society

Opus Bono Historae is becoming seasoned at spreading a love for history around NHS. In its second year, this society has brought the past to life through various tributes to commemorate important historical events. Throughout the year, announcements were made to create student awareness on holidays such as Veterans' Day, MLK Day, Memorial Day, and more! To celebrate the legacy of Martin Luther King, his "I Have a Dream" speech was played during lunches for students to watch before the long weekend. Other events included giving tours of Norton to the 3rd graders in April and May, preparing for the Memorial Day assembly, and tutoring students struggling in the social studies. Opus Bono Historae has grown to be an influence not only in the school, but in the community as well.

A hard working group, the Art Honor Society is comprised of dedicated and talented students who strive for excellence inside and outside of the classroom. They are a group focused on community service and scholarship fundraising, advised by Mrs. Lewicki. Members stay busy all year by hosting art shows in and around Norton, painting pumpkins in the fall and flower pots in the spring, creating ornaments in the winter, and spreading love on Valentine's Day with carnations. By bringing beauty, creativity and integrity to the school and community, the Art Honor Society triumphs thanks to the hard work and enthusiasm of our members.

The Modern Music Masters (Tri-M) Honor Society accomplished much this year and had so much fun doing it! In October, members organized a music department game of laser tag and a viewing of Pitch Perfect! They held a recital for new inductees to exhibit their incredible skills in November. In the same month they started a new Thanksgiving pie fundraiser and in December they sold candy cane grams. And hey! They were so fetch! These candy canes with messages were delivered during the Chorus's annual Winter Caroling. There was also a Music Department Yankee Swap before the winter break that was lots of fun! The society is finishing off the year strong with more events that will improve the school's musical awareness as well as promote positive Band and Chorus relations.

La Sociedad Honoraria de Español is an enthusiastic group of students that are passionate for the Spanish language and culture. The society is led by Ms. Godfrey, a caring and fervent adviser, with help from her officers. All members are juniors or seniors who maintain a B average. The society sponsors events including the Semi-Formal Dance, Salsa Dance Lessons, and trips to Hispanic art museums and mexican restaurants. These events broaden the Hispanic knowledge of its members and inspire many to continue their education with the Spanish language and learn more about those who speak it.

French Honor Society

La Société Honoraire de Français is committed to cultivating a passion for French in its students, school and community. Members are students who completed an advanced French class with an average of a B+ or better. The annual Semi-Formal Dance, in conjunction with the Spanish Honor Society, was a great success. This year, the society had the pleasure of seeing a play in French at Wheaton College based on poems by Jacques Prévert. They were also visited by an NHS alum with a promising career in translation, sang French Christmas carols at the EPOCH Center and celebrated Mardi Gras on Thursday - so technically it was Jeudi Gras! Our members epitomize the exuberant *joie de vivre* of French culture and the scholastic excellence of NHS.

As always, the French and Spanish Honor Societies sponsored a spectacular Semi-Formal this year with the theme song "Some Nights." The event was filled with dancing and laughter, and will be remembered by everyone as a wonderful night. The junior and senior classes donned their best attire and enjoyed good food and great music at the Holiday Inn in Mansfield. Overall, it was an excellent evening, shared with fantastic friends and unforgettable memories.

Alexis LaCivita

Dear Alexis,

We are so proud of you and all you have accomplished! May the next stage of your life be everything you hope it to be. As you continue your journey, keep this thought in mind:

"My Wish"

I hope that the days come easy and the moments pass slow,
And each road leads you where you want to go,
And if you're faced with a choice, and you have to choose,
I hope you choose the one that means the most to you.
And if one door opens to another door closed,
I hope you keep on walkin' till you find the window,
If it's cold outside, show the world the warmth of your smile.

But more than anything, more than anything,
My wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, and your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things too,
Yeah, this, is my wish.

I hope you never look back, but ya never forget,
All the ones who love you, in the place you left,
I hope you always forgive, and you never regret,
And you help somebody every chance you get,
Oh, you find God's grace, in every mistake,
And you always give more than you take.

But more than anything, yeah, and more than anything,
My wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, and your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things too,
Yeah, this, is my wish.

My wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, and your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things too,
Yeah, this, is my wish.

This is my wish
I hope you know somebody loves you
May all your dreams stay big.

We love you more than all the numbers in the world!
Love always, Mom, Dad, Ashlie, Austin, and Audrey

I hope you never lose your sense of wonder
You get your fill to eat but always keep that hunger
May you never take one single breath for granted

I hope you never fear those mountains in the distance
Never settle for the path of least resistance
Living might mean taking chances but they're worth taking

Whenever one door closes I hope one more opens
Promise me that you'll give faith a fighting chance
And when you get the choice to sit it out or dance

I hope you dance

Shannon,
We could not be any prouder of all you have accomplished or of the young woman you have become. We look forward to the next phase of your life and all the possibilities that await you.

Teacher Messages

Mr. Duff:
"My final home assignment (forever): Do something(s) nice for someone via random acts of kindness. Due date: TBD."

Mr. Kefor:
"I wish you all the best that life has to offer: learning, laughter, and love."

Mrs. Young:
"Congratulations, Class of 2012! Your time here has ended and you are well prepared for your next endeavor. Wherever the road leads, I wish you much success and happiness along the way."

Ms. Nastri and Ms. Siegal:
"May StuCo ever be in your favor. Fondly, Mom Siegal and Aunti Nastri."

Sra. Mahoney:
"Muy Buena suerte, Clase de 2013!"

Mrs. Wissler:
"To my first group of graduating students, thank you for teaching me how to teach! You are the best! Wisslah."

Mr. Godmintz:
"I wish you guys all the best next year and beyond! If times get rough just remember this quote from that old sage Mark Twain: 'It's not the size of the dog in the fight; it's the size of the fight in the dog.' Best of luck!"

Mrs. Benoit
"Dear Seniors,
May you all be granted good fortune and find happiness in your future endeavors. Your options are numerous – choose well. All the best, Mrs. Benoit"

Mme. Penza:
"Suivez vos rêves!"

Mr. Zelinski:
"First I would like to thanks the following people for their support throughout the school year; my friends Maggie Morris, Christine Tamulis, Nicole Miller and my close associate Mr. Eric Paulus™ So moving forward in the future of NHS will not be the same without the wonderful seniors like Matt Litchfield, Anthony Kennedy and all my VHS Students. To you all the Class of 2013 the Best of Luck in whatever you may pursue! Mr. Z."

Mr. Henry:
"You are great kids with great skills. You're doing great."

Mr. Grasso:
"I really feel like your whole life, no matter how tough life gets, there's a part of you that thinks, I have a secret special skill that no one knows about. And, eventually, we meet someone who's like, 'You have a secret special skill.' And you're like, 'I know! So do you!' Love what you do, make hard work your skill and you won't need luck to make a living."

Mr. Paulus:
"Congratulations to the Class of 2013! If I could only give you one piece of advice, I would suggest that you not take yourself or life too seriously. It is just too short. Perhaps Pete Townshend of The Who said it best when he suggested never to grow up completely. Hang on to your favorite stuffed animal from childhood, sing at the top of your lungs when you hear your favorite song, and next time you take a bath, it is ok to pretend you are in the submarine from 20,000 Leagues Under the Sea. Best wishes to you all...it has been a pleasure!"

Ms. Medeiros
"Budget your time and money wi$ely! Save yourself the worry - save 10%!"

Ms. Immonen
"To all my yearbookers: Thanks for all of your hard work all year long! To all my Stats students: I hope you had as much fun in class as I did. If you do have to take Stats again in college, please remember... I am always available for extra help after school!"

FROM THE CLASS ADVISERS:

To the Class of 2013:

Now is a time to look back and be proud of your accomplishments over the past four years. To be a part of your growth as students and individuals is extremely rewarding for us as teachers and advisers. You are a class that will not be forgotten; your academic and athletic achievements have made Norton High School better than ever. While this may mark the end of our journey together it also begins the road ahead where you will build on your accomplishments and continue to thrive.

We will miss you all.
Mr. Sumner, Mr. Brassard & Mrs. Guillermo
